

be promptly reported to and reviewed by the chief compliance officer, senior management, and governing body of the swap dealer or major swap participant, and shall include, without limitation, a list of all early warnings received, all position limit violations, the action taken in response, the results of the quarterly position limit testing required by this regulation, any deficiencies in the Position Limit Procedures, the status of any pending amendments to the Position Limit Procedures, and any action taken to amend the Position Limit Procedures to ensure compliance with all applicable position limits. Each swap dealer and major swap participant shall retain a copy of this report.

(h) On an annual basis, each swap dealer and major swap participant shall audit its Position Limit Procedures as part of the audit of its Risk Management Program required by Commission regulations.

(i) All records required to be maintained pursuant to these regulations shall be maintained in accordance with Commission Regulation §1.31 and shall be made available promptly upon request to representatives of the Commission and to representatives of applicable prudential regulators.

§ 23.602 Diligent supervision.

(a) *Supervision.* Each swap dealer and major swap participant shall establish and maintain a system to supervise, and shall diligently supervise, all activities relating to its business performed by its partners, members, officers, employees, and agents (or persons occupying a similar status or performing a similar function). Such system shall be reasonably designed to achieve compliance with the requirements of the Commodity Exchange Act and Commission regulations.

(b) *Supervisory System.* Such supervisory system shall provide, at a minimum, for the following:

(1) The designation, where applicable, of at least one person with authority to carry out the supervisory responsibilities of the swap dealer or major swap participant for all activities relating to its business as a swap dealer or major swap participant.

(2) The use of reasonable efforts to determine that all supervisors are qualified and meet such standards of training, experience, competence, and such other qualification standards as the Commission finds necessary or appropriate.

§ 23.603 Business continuity and disaster recovery.

(a) *Business continuity and disaster recovery plan required.* Each swap dealer and major swap participant shall establish and maintain a written business continuity and disaster recovery plan that outlines the procedures to be followed in the event of an emergency or other disruption of its normal business activities. The business continuity and disaster recovery plan shall be designed to enable the swap dealer or major swap participant to continue or to resume any operations by the next business day with minimal disturbance to its counterparties and the market, and to recover all documentation and data required to be maintained by applicable law and regulation.

(b) *Essential components.* The business continuity and disaster recovery plan of a swap dealer or major swap participant shall include the following components:

(1) Identification of the documents, data, facilities, infrastructure, personnel and competencies essential to the continued operations of the swap dealer or major swap participant and to fulfill the obligations of the swap dealer or major swap participant.

(2) Identification of the supervisory personnel responsible for implementing each aspect of the business continuity and disaster recovery plan and the emergency contacts required to be provided pursuant to this regulation.

(3) A plan to communicate with the following persons in the event of an emergency or other disruption, to the extent applicable to the operations of the swap dealer or major swap participant: employees; counterparties; swap data repositories; execution facilities; trading facilities; clearing facilities; regulatory authorities; data, communications and infrastructure providers and other vendors; disaster recovery specialists and other persons essential to the recovery of documentation and
